## Park Rules

**Searivers**  
CARAVAN PARK

## **Introduction**

These park rules are in place for the good management of Searivers Caravan Park and the benefit of all who use the park. These rules form part of the Licence Agreement that is the contract between us for your occupation of a pitch on the park. The park rules do not affect anything to which you are entitled under the terms of your Licence Agreement.

The expression 'you'/'your' means the caravan owner and/or occupier (and any of your guests). The expression 'we'/'us'/'our' refers to the park owner and/or manager.

The rules set out below are the park rules referred to in your Licence Agreement. You are reminded that breach of these rules is a breach of your Licence Agreement and may result in termination of the Licence Agreement.

### **1. Site Licence**

- 1.1 All caravan owners at the park must comply with the conditions attached to the Site Licence which you will find attached to these park rules.
- 1.2 Pitch numbers must remain visible.
- 1.3 Your caravan may not be used as your main residence and on reasonable notice from us, we may ask you to provide your main residential address and evidence of your residence there.

- 1.5 The park cannot be used as a base from which to trade a business of any description.

### **2. The Season**

- 2.1 The Park is open for occupation during the Season described in Part 1 of your Licence Agreement.

### **3. Safety**

### **5. Permitted number of occupiers**

- 5.1 Your caravan may not be used for sleeping a number of persons greater than the 'maximum sleeping capacity' stipulated in your Licence Agreement; if no number is stipulated then it may not be used for sleeping a number of persons greater than the number for which it was designed.

### **6. Visitors to the caravan**

- 6.1 Visitors are permitted in your caravan between the hours of 8am and 11pm. It is your responsibility as the caravan owner to ensure that all visitors are made aware of, and adhere, to our park rules at all times. The office staff must be informed of any pre-arranged deliveries. The park is private property and only people lawfully staying with your permission have permission to enter the park.
- 6.2 All visitors must leave the park by 11.00pm.
- 6.3 We do not permit traders, salesmen or people visiting the park in a business capacity access to the park except with our prior consent.

## **10. End of Season**

- 10.1 While the park is open throughout the year, it is your responsibility to ensure that the caravan is prepared for the winter months and drained down if you don't plan to use it over winter or it is not to be used for a period of time. The park offers a drain down service, alternatively, you can make your own arrangements. We recommend that you check the terms of your caravan insurance should you not use the park service.
- 10.2 It is recommended that all gas, electricity, and water connections are switched off when the caravan is not in use over winter. In the case of centrally heated caravans, you may wish to leave the heating on low or at least on a frost setting over the winter months to help prevent the pipes freezing. Please check your insurance terms and appliance manufacturers manual.
- 10.3 During the winter months, when the caravan is not occupied, we recommend that the curtains of your caravan are drawn back, and all items of value removed.
- 10.4 You are solely responsible for securing the caravan and must ensure that the caravan and its contents are adequately insured throughout the year against all usual risks including flood, storm and tempest. All outdoor furniture and other items kept outside should be stored away safely when the caravan isn't occupied.

## **Guidance**

The Guidance below does not contain any new licence conditions or park rules. We use it to highlight some practical points about spending time on our park and to remind you of some of the important conditions and rules in a less formal way.

1. Clause 4 of the Licence Agreement requires you to insure the Caravan and its contents. Please remember that you must keep this insurance in place during the closed season as well.
2. Clause 1 of the Park Rules requires you to comply with the Site Licence. A copy of the current site licence is always available in the park office. Please note that the Site Licence may be updated from time to time.
3. Clause 9 of the Park Rules says that you need our permission for any building works. Please note the following:
  1. If you wish to add any external structure to the Caravan such as a fence, veranda, balcony or storage units we ask that you send us plans of what is proposed. If we give our permission, it will remain your responsibility to ensure that the work would not breach any term of the site licence and that your unit will still be a caravan in the eyes of the law and in particular be physically capable of being moved by road from one place to another (whether by being towed, or by being transported on a motor vehicle or trailer). Planning permission may be needed, and we may attach reasonable conditions such as requiring an inspection at intervals during the course of construction. We will not withhold consent unreasonably.
  2. Slabs and paving count as building works and so require our prior written permission.
  3. Satellite dishes count as TV aerials and are a potential nuisance to your neighbours. They also require our prior written permission. If we grant permission, we will expect installation on your Caravan rather than on the ground.
4. Clause 9.9 of the Park Rules requires you to give us written notice of any work to be carried out by external contractors.
5. Clause 5 of the Licence Agreement and clause 20 of the Park Rules, sets out our Behaviour Standards and they are important. You are responsible for your behaviour and that of your family, visitors, contractors and pets/animals whilst on the park. We recommend that you supervise your children at all times.
