

# Owners Newsletter

Searivers Leisure Limited Caravan Parks

A quick, extra Newsletter to mark the end of Summer. We hope you got to spend some time here this summer. It's certainly quieter without everyone around! Do remember to pay your site fees and electric bills if you haven't yet and also to return your drain down forms to us.

## August Bank Holiday Success!

August Bank Holiday weekend was another huge success this year. A weekend of 650 bath ducks, 37 boats, 54 football players, 8 inflatables, 120 tombola prizes, cash bingo, 1 bar and a fireworks display.

The weekend kicked off at Riverside, when the ducks were released and raced their way down the River Leri. The winning duck was 69, followed by duck 162 and then duck 50 in third place. Following on from this, we held the boat race where everyone showed off their efforts of building a boat that would survive the river *and* win!

The football and sports event was a big hit again this year. The sun shone down all afternoon and we learned that Josh can't kick, or even throw, a football...

We would like to thank Bryn and Guto from **BMO Coaching** for their help with the football event.

The inflatables came out on Sunday with Sumo Wrestling outfits, gladiators and a wrecking ball, this

was another big one that we were glad the weather didn't rain off this year!

The tombola made its' return on Sunday evening, with some amazing prizes, including big cash prizes, meals out and day trips for the family to be won.

Huge cash prizes were won on the bingo and, once again, the fireworks were a true crowd pleaser.

Final figures are yet to be confirmed, but we are definitely on target to beat last years donation amount. The donation figure will be published soon. As usual, this will be split between Borth RNLI and Cancer Research. Thank you to everyone who helped, by donating prizes and buying wristbands, tombola tickets, glow sticks and duck race tickets.

We would like to send a huge shout-out again to Toby, who worked relentlessly picking up litter after the event. What a Star!

## Searivers Shop & Café

As you will be aware, a number of changes have taken place within the company over the last few years and, in particular, this year as Mike and Oliver have taken over as Directors of the company following the conclusion of their father's estate.

We are always striving to improve the appearance of our parks and hope that you have noticed significant improvements over the last few years. It is important that we change with the times and keep our parks relevant in the 21<sup>st</sup> Century and over the last few months have been looking at the parks, investment opportunities and business development.

One area of the business where you will see big changes for the 2020 season is Searivers Shop and Café. For many years, it has been run successfully on our behalf by J&S Catering. We feel that it is now time to bring the catering operation at Searivers Caravan Park back under the company umbrella so that we can further develop this area of the business.

Decisions like this are never easy and we are hugely appreciative of all the hard work and commitment that Jan and Steve have shown when running the shop and café operation over the years. They have been an asset to the company and we are sure that you will all join us in wishing them all the best for the future.

## Wifi Boosters

### Does the WiFi Signal in your caravan need a boost?

Now available to order

### UniFi Mesh WiFi Booster

We now have WiFi boosters for sale for £120.00. Some owners have already purchased them and have found that they have helped to improve signal on both the free and paid for service. We do have a booster in the office which you can borrow and test before ordering.

As a special offer to anyone purchasing a UniFi Booster from us this year, we will give you 10 **free WiFi vouchers**, worth £100 (100GB total data, each voucher lasts up to 30 days) for free.

To talk to us more about this, get more information or to try a booster for yourself, just pop into reception. This is only available for Searivers at the moment but we are looking into options at Riverside for next season too.

## General Waste & Recycling

**Please note that the bin bays on park are for general waste only.**

- It if does not fit in a bin, don't leave it in the bin bay
- If a bin is full, look for an empty one. Please don't leave rubbish outside the bins - the seagulls and wildlife may love it but we don't!
- **Do not** leave Garden Waste, Bikes, Mattresses, Metal items, White Goods, Electronics, Barbecues, Furniture or large toys. We are happy to advise on the best way to dispose of these items, just call in to see us.

**And finally, always recycle what you can:**

**Dry Mixed Recycling** bins are behind reception at Searivers and next to the house at Riverside. Here you can dispose of paper, cardboard, plastics, cans, tins and aluminium foil. All clean and loose or in clear bags. No black bags.

**Bottles & Glass** - bins are behind reception at Searivers and next to the house at Riverside.
